ABOUT TEAM IMPACT BIBLE COLLEGE

Team Impact Bible College offers **online** programs which are highly flexible and are geared towards equipping and empowering Christian leaders who will change the world.

All our courses are Spirit-anointed and are available **in printed book, disk or downloadable digital format.**

Our courses are available to everyone who meets our entrance requirements and require comprehensive study and self discipline. Our Bible College is an online institution with limited physical campus facilities.

Our courses are relevant to the 21st Century Church and are an effective aid to the spiritual development of all believers.

It is the mission of Team Impact Bible College to raise up **Spirit-anointed leaders** who disciple nations. Our programs have the highest curriculum standards within the framework of Spirit-anointed Biblical authority. We prepare Christian leaders for Christian service.

All degrees at the Team Impact Bible College are **earned degrees.** This is achieved by mandatory coursework that must be completed.

OUR AIM

Our aim is to help our students in the following ways:

- Develop a strong and deep relationship with the Lord
- Provide an in-depth understanding of the Word of God
- Make them firm and stable in their walk with the Lord as revealed by the Word through the ministry of the Holy Spirit
- Prepare them for ministry, leadership and servant-hood in the body of Christ
- Impart a correct and clear understanding of the Word of God.
- Train and equip future leaders by means of the best training methods.

OUR PURPOSE

Our purpose is as follows:

“To edify the body of Christ, to equip God's people for the work of the ministry, to unite in faith, to grow in quality, quantity, stability and integrity so that the whole body is healthy and growing and full of love.”
(Ephesians 4 V 11 – 16).

ACCREDITATION

All our courses are accredited by Team Impact University who are authorized to grant Certificates, Bible Colleges and Degrees up to Doctorate level in the USA by religious exemption.

The purpose of accreditation is to:

- certify that an institution has met the established standards of excellence
- assist prospective students in identifying reputable institutions, which offer degree programs that will meet their needs and goals
- allow institutions to evaluate the acceptability of transfer credits into their own curricula programs

We do not prepare our students for secular work or denominational service. We will seek to provide a sound theological standing from which our students may fulfill their divine purpose and calling.

Our courses meet the requirements established by many private, independent, and professional associations. Various regionally or nationally accredited Christian Universities, colleges and seminaries throughout the United States may accept transfer students, credits and degrees from Team Impact Bible College.

Transferability of credits earned at Team Impact University and transferred to another institution is at the discretion of the receiving institution.

LIFE EXPERIENCE

All degrees at the Team Impact Bible College are **earned degrees**. This is achieved by mandatory coursework that must be completed. Our courses are available to everyone who meets our entrance requirements. Our courses require comprehensive study and self discipline as our Bible College is an online institution with no physical campus.

Bible College transcripts do not always reflect real life experience. Team Impact Bible College recognizes life experience which may have been gained through years of work which is ministry related.

Many people have served in ministry positions and have gained a lot of knowledge and experience in their fields, but do not have any formal certificate, Bible College, or degree. Life experience credits can give some of the recognition needed for this service in the work of the Lord. This acceptance of life credits helps a potential student to accelerate their learning college experience and enabling them to earn a fully accredited degree.

Applicants must have had more than five years in a recognized position in ministry.

No degrees can be awarded based purely upon life-experience. Life experience credit cannot be given for an entire degree but is limited to a **maximum of 30 credit hours**.

Life experience which could include such things as books authored, missions trips, classes taught, outreach ministries, ministries within a church, etc., must be documented along with the years they occurred and submitted for evaluation.

START YOUR OWN SCHOOL

Team Impact Bible College works closely with local Pastors, Christian leaders and local Churches.

Pastors and Christian Leaders can begin their own ministry-based schools by registering with our Christian Bible College and implementing our courses. With this form of schooling, pastors and Christian leaders can mentor their own leaders.

GRADUATION

Students can start studying at any time during the year. They can also graduate as soon as they have completed their program. Team Impact Bible College will hold regional graduations ceremonies each year throughout the United States as well as in various other nations world-wide. Attendance is not compulsory. Certificates, Bible Colleges and Degrees will be forwarded to students on completion of their studies.
